Breakfast buffet. Visit Reykjavik and discover each of the narrow streets of the city center. Night in Reykjavik. In Reykjavik the museums are numerous, they portray both the city's history and the energetic artistic scene. Or discover Iceland's hidden nature in an unusual way in FlyOver Iceland, an interesting interactive experience. Stroll along the city's main shopping street and discover its art galleries and craft and design stores. Take a tour of the city's promenades and enjoy the sea views. Visit one of the local geothermal pools or have a coffee in a cozy cafeteria. There are endless ways to spend a great afternoon in the northernmost capital of the world. Enjoy a last sunset in Reykjavik on your own. Night in Reykjavik. Dinner is on your own.
